Greetings Colleagues and Friends:

I am writing to share two related announcements and seek your feedback and input:

Announcement #1: Seeking Input on Draft High Wind Dust Event Guidance and Draft Data Methods Memo

As part of our continuing efforts to support the implementation process for the Exceptional Events Rule and to provide clarifying information about regulatory situations not covered by the rule, the EPA is in the advanced stages of developing two new guidance documents:

- 1) **High Wind Dust Event Guidance:** Provides example language and sample analyses that air agencies may use in exceptional events demonstrations for high wind dust events.
- 2) **Additional Methods, Determinations, and Analyses to Modify Air Quality Data Beyond Exceptional Events:** Clarifies the types of regulatory determinations and analyses for which EPA may consider certain modified air quality monitoring data, including data modified to account for the effects of exceptional events.

As we near completion of these two draft documents, we are pleased to invite air agency review. We encourage air agencies to focus their review on (1) Corrections or clarifications of content, and (2) Suggestions for additional information that would be helpful to include. **Please kindly email your comments or suggestions on the attached drafts to Ben Gibson at gibson.benjamin@epa.gov by Friday, December 7, 2018.**

Announcement #2: National Webinar on Draft High Wind Dust Event Guidance and Draft Data Methods Memo

We also plan to hold a national webinar to facilitate your review of these draft documents.

Date and Time: October 23, 2:00-3:30 p.m. Eastern Time

Intended Audience: State, Local, and Tribal air agencies

How to Participate: You do not need to register in advance for this webinar. To participate, please click on the webinar link below at the appointed date and time. *(Note: We will use the webinar link for both slide visuals and for audio. There is no separate call-in number.)*

To Join the Meeting: <https://epawebconferencing.acms.com/eeguidance>. Once you click on the link to join the meeting, follow these instructions:

1. Click "Enter as a Guest"
2. Type in your first & last name and organization
3. Click "Enter Room"
4. You will be in the room!

*If you have not attended an Adobe Connect meeting before, we highly recommend that you test your connection to ensure that proper add-ins are enabled and the audio is working properly:
